**VERIFIED COMPLAINT**

Plaintiffs, **Libertarian Party of Illinois, Steve Suess, Justin Tucker, Adam Balling, Steve Dutner, James Humay, Jason Ross Decker, Brandon Sizelove, Daniel E. Van Ginder, David Josephs, and Linda Cerva**, through their attorney, file their verified complaint respectfully requesting entry of a declaratory judgment and other relief pursuant to 42 U.S.C. §1983 against Defendants, **Karen Yarbrough** in her capacity as the Cook County Clerk, **Chicago Board of Election Commissioners**, and **Marisel A. Hernandez**, Chair, and **William J. Kresse**, Commissioner, and **June A. Brown**, Commissioner, and each in their capacities as Commissioners of the Chicago Board of Election Commissioners, as follows.

### **Relevant Facts + Election Code**

22. “Illinois classifies general-election candidates into three groups: those affiliated with an ‘established’ political party, those affiliated with a ‘new’ political party, and those running as independents. If a candidate is affiliated with a party, whether established or new, the party name appears alongside the candidate’s name on the ballot.” *Libertarian Party of Illinois v. Scholz*, 872 F.3d 518, 521 (7th Cir. 2017).

23. Section 10-2 of the Election Code, 10 ILCS 5/10-2, defines the criteria by which a new political party attains established political party status, excerpted in part as follows:

[ \* \* \* ]

A political party which, at the last election in any congressional district, legislative district, county, township, municipality or other political subdivision or district in the State, polled more than 5% of the entire vote cast within such territorial area or political subdivision, as the case may be, has voted as a unit for the election of officers to serve the respective

territorial area of such district or political subdivision, is hereby declared to be an “established political party” within the meaning of this Article as to such district or political subdivision. [\* \* \*]

24. Similarly, “Article 7. The Making of Nominations By Political Parties” at Section 7-2 of the Election Code, 10 ILCS 5/7-2, confirms that a political party which has received more than 5% of the vote at the last general election is declared to be an established political party within the meaning of Article 7, excerpted in part as follows:

[ \* \* \* ]

A political party, which at the general election for State and county officers then next preceding a primary, cast more than 5 per cent of the entire vote cast within any congressional district, is hereby declared to be a political party within the meaning of this Article, within such congressional district, and shall nominate its candidate for Representative in Congress, under the provisions hereof. A political party, which at the general election for State and county officers then next preceding a primary, cast more than 5 per cent of the entire vote cast in any county, is hereby declared to be a political party within the meaning of this Article, within said county, and shall nominate all county officers in said county under the provisions hereof, and shall elect precinct, township, and ward committeepersons, as herein provided.

[ \* \* \* ]

25. Nomination of established political party candidates for Cook County offices and election of township committeepersons are made pursuant to the provisions of Article 7 of the Election Code, 10 ILCS 5/7-1, et seq., including a lower signature requirement than new political party candidates, nomination of candidates at a primary election, the ability to elect party officers including township committeepersons at a primary election, the ability to nominate candidates for the general election ballot where there are vacancies in nomination at a primary election, et al.

26. Established political party candidates for Cook County offices are required to submit the number of signatures defined in the Section 7-10(d) of the Election Code, 10 ILCS 5/7-10(d) in part as follows:

***(d) County office; Cook County only.***

(1) If a candidate seeks to run for countywide office in Cook County, then the candidate's petition for nomination must contain at least the number of signatures equal to 0.5% of the qualified electors of his or her party who cast votes at the last preceding general election in Cook County.

(2) If a candidate seeks to run for Cook County Board Commissioner, then the candidate's petition for nomination must contain at least the number of signatures equal to 0.5% of the qualified primary electors of his or her party in his or her county board district. In the first primary election following a redistricting of Cook County Board of Commissioners districts, a candidate's petition for nomination must contain at least the number of signatures equal to 0.5% of the qualified electors of his or her party in the entire county who cast votes at the last preceding general election divided by the total number of county board districts comprising the county board; provided that in no event shall the number of signatures be less than 25.

27. For the June 28, 2022 election, the petition circulation period was reduced to 60 days, from January 13, 2022 to March 14, 2022, and correspondingly signatures required for Cook County Commissioner candidates as stated in 10 ILCS 5/7-10(d)2) has been reduced by one-third (1/3) through 10 ILCS 5/2A-1.1b(b).

28. In addition, following redistricting, residency in any county board district which is contained in whole or part in the redistricted county board district from which a candidate seeks election shall constitute residency in the redistricted county board district for purposes of the two-year residency requirement through Cook County Code of Ordinances, Chapter 22, Article II, Sec. 22-31(3)(b).

29. The Election Code prohibits the application of Article 10 (10 ILCS 5/10-1, et seq.) to established party candidates pursuant to 10 ILCS 5/10-1 (in part) as follows:

***Sec. 10-1. Application of Article to minor political parties.***

(a) Political parties as defined in this Article and individual voters to the number and in the manner specified in this Article may nominate candidates for public offices whose names shall be placed on the ballot to be furnished, as provided in this Article. **No nominations may be made under this Article 10, however, by any established political party which, at the general election next preceding, polled more than 5% of the entire vote cast in the State, district, or unit of local government for which the nomination is made. [ \* \* ]**

30. “A party becomes established through a strong electoral performance.

If a party’s candidate in the most recent gubernatorial election received more than 5% of the vote, the party is established throughout the state. 10 ILCS 5/10-2 (2010).

A party can also attain established status on a more limited basis. If its candidate (or candidates collectively) received more than 5% of the vote in a particular race in the most recent statewide election—for example, the race for Illinois Comptroller or Illinois Secretary of State — then the party becomes established for statewide elections. Likewise, if a party received more than 5% of the vote in a congressional or county race in the last election, it becomes established for congressional districts or for that county.” *Id.*

31. At the November 3, 2020 general election the Libertarian Party’s candidate for Cook County State’s Attorney, Brian Dennehy, received 6.71% of the vote for the office of Cook County State’s Attorney within the geographic boundaries of Cook County, IL<sup>1</sup>. Please see election results published by the Cook

<sup>1</sup> In addition, the Willie Wilson Party’s candidate for U.S. Senator received 7.35% of the vote within Cook County, IL (please see **Exhibit A**, attached) but was not recognized by the Clerk in her “General Information” disclosure as an established political party within Cook County (please see **Exhibit B**, attached).

County Clerk<sup>2</sup> for the November 3, 2020 general election attached as **Exhibit A** and excerpted as follows:

<b>State's Attorney, Cook County</b>	<b>Cook County</b>	<b>The City of Chicago</b>	<b>Combined Total</b>	<b>Percentage</b>
Kim Foxx - DEM	506,304	687,995	1,194,299	54.21%
Patrick W. "Pat" O'Brien - REP	543,281	317,827	861,108	39.08%
Brian Dennehy - LIB	74,503	73,266	147,769	6.71%
	<u>1,124,088</u>	<u>1,079,088</u>	<u>2,203,176</u>	

32. In addition, based upon receiving more than 5% of the vote at the November 3, 2020 general election for a countywide candidate in McHenry County and in four other counties (besides Cook County), the Libertarian Party is recognized as an established political party for all offices down to the precinct and committeeperson level in five other counties in Illinois.

33. Since the Libertarian Party received more than 5% of the votes for the office of the countywide office of Cook County State's Attorney at the November 3, 2020 election, by application of 10 ILCS 5/10-2, it is classified as as an established political party within the geographic boundaries of Cook County, IL

34. As an established political party, the Libertarian party would be deemed established for all elections held within the geographic boundaries of Cook County, IL, including but not limited to nomination of candidates for Cook County Board President, Assessor, Sheriff, Treasurer, and each of the 17 Cook County Board Commissioners at the June 28, 2022 primary election.

35. On September 23, 2021 a majority of the Cook County Board of Commissioners, as the governmental body overseeing enactment of ordinances in

Cook County, adopted the “Cook County Redistricting Ordinance of 2021” which remapped the boundaries for each of the seventeen Cook County Board districts located within the unchanged geographic boundary of Cook County. See Cook County Redistricting Ordinance<sup>3</sup> attached as **Exhibit C.**

36. The “Cook County Redistricting Ordinance of 2021” did not alter the geographic or voting district boundaries of Cook County, IL, which remain static.

37. The Cook County Board of Commissioners is the governing board and legislative body of Cook County and is comprised of 17 Commissioners, each elected from single member district and serving a four-year term. Each Cook County district is located entirely within Cook County and represents approximately 300,000 residents<sup>4</sup>. The last election of Cook County Board members occurred on November 6, 2018 and all offices of the Cook County Board are to be elected at the November 8, 2022 general election.

38. Excepting the Board President, each member of the Cook County Board has no individual authority to act on behalf of the Cook County Board, but rather, this entity is a countywide governmental body that is authorized to take action through a majority vote of its seventeen commissioners, having met at duly noticed public meeting with a quorum of members present and otherwise in accordance with the Illinois Open Meetings Act, 5 ILCS 120/1, et seq.

39. The Cook County Clerk has recognized established party status for the Democratic Party and the Republican Party for the June 28, 2022 primary election

for nomination of their respective candidates for Cook County Commissioner in each of the 17 remapped Cook County Commissioner districts, despite the enactment of the “Cook County Redistricting Ordinance of 2021.”

40. The procedure for nomination of established political party candidates for Cook County offices and for political party offices is defined in Article 7 of the Election Code, 10 ILCS 5/7-1, et seq.

41. The Clerk published signature requirements in a “General Information” disclosure (attached as **Exhibit B**) that stated the number of signatures that would need to be submitted by established political party candidates seeking ballot placement for countywide Cook County offices to be nominated by the Democratic Party, the Republican Party, and the Libertarian Party at each party’s primary election to be held on June 28, 2022 as follows:

Assessor	<del>8,827</del>	<b>5,885</b>	<del>4,306</del>	<b>2,871</b>	<del>739</del>	<b>493</b>

42. In her official capacity, the Clerk prepared and published a “General Information” disclosure (attached as **Exhibit B**) that provided general information pertaining to the June 28, 2022 primary election including but not limited to her calculation of the number of signatures that would need to be submitted by Democratic Party and Republican Party candidates seeking ballot placement as candidates for the Cook County Board as one of the 17 Commissioners that will be nominated at each party’s primary election to be held on June 28, 2022. The “General Information” disclosure listed the signature requirement as 346

signatures for Democratic candidates and 169 signatures for Republican candidates, regardless of district, and is excerpted as follows:

Office	County Board District	Democratic	Republican
Commissioner	1 <sup>st</sup> District	519 346	253 169
Commissioner	2 <sup>nd</sup> District	519 346	253 169

Commissioner	16 <sup>th</sup> District	519 346	253 169
Commissioner	17 <sup>th</sup> District	519 346	253 169

43. The Clerk omitted publishing the signature requirement for Libertarian Party candidates for Commissioners of the Cook County Board at the June 28, 2022 primary election, though by application of 10 ILCS 5/7-10(d), the Libertarian Party’s (unofficial) signature requirement for Cook County Commissioner would be at least 44 signatures per district<sup>5</sup>.

44. Plaintiff, Jason Ross Decker, contacted Colleen Gleason in her capacity as the Clerk’s agent and Candidate Services Manager to request from the Clerk the Clerk’s official determination of the number of signatures that would need to be submitted by candidates of the Libertarian Party seeking nomination as

---

<sup>5</sup> Section 10 ILCS 5/7-10(d) states in part “. . .at least the number of signatures equal to 0.5% of the qualified electors of his or her party in the entire county who cast votes at the last preceding general election divided by the total number of county board districts . . .” which then would be calculated as follows:

$$[147,769 \text{ votes for State's Attorney}] \times [0.005] = 738.85 \text{ which is then divided by } 17 \text{ districts to equal } 43.46 \text{ signatures per district.}$$

Commissioners of the Cook County Board, and Ms. Gleason, as an authorized agent of the Clerk, responded on January 5, 2022 via email (attached as Exhibit D) and explained the Clerk's analysis and application of the Election Code (in part) as follows:

At the November 3, 2020 General Election, the Libertarian Party received 6.63% of the vote for States Attorney of Cook County and became an established political party for the 2022 Election for Cook Countywide offices.

The Libertarian Party did not receive 5% of the vote in any other district or political subdivision that voted as a unit in the 2020 General Election, and therefore is not an established political party in any other district or political subdivision, *Vestrup v DuPage County Election Commission*, 335 Ill App 3rd 156 (2002).

45. The Clerk has denied established political party recognition to the Libertarian Party for purposes of nominating its candidates for Cook County Commissioners, for election of Libertarian Party township committeepersons (please see Exhibit D, at page 3), and the corresponding application of Article 7 of the Election Code for purposes of allowing the Libertarian Party to nominate its candidates for Cook County Commissioners at the June 28, 2022 primary election, and elect its Cook County township committeepersons at the June 28, 2022 primary election. It is anticipated that without action from this honorable court, the Clerk would refuse to accept nomination papers, and would reject Libertarian Party nominations of candidates for the general election to fill vacancies at the primary election.

46. Adam Balling, as the City of Chicago Libertarian Party Chair, contacted James Nally, the Clerk's agent and election law attorney, to follow up regarding the Clerk's bases for her decision to deny established political party recognition to the Libertarian Party for nomination of its candidates for Cook County Commissioners and otherwise.

47. James Nally, as an authorized agent of the Clerk, explained that even though the Libertarian Party was deemed to be an established political party by operation of 10 ILCS 5/10-2 for countywide offices, the Libertarian Party would not be recognized by the Clerk as an established political party for purposes of (a) nominating candidates for the Cook County Board at the June 28, 2022 primary election, or (b) electing its township committeepersons on June 28, 2022.

48. The Clerk's decision to deny established political party status to the Libertarian Party for purposes of nominating its candidates for the Cook County Board (and similarly, electing its internal party officials) was made by the Clerk's election law attorney, James Nally, who stated that 10 ILCS 5/10-2 and *Vestrup v. DuPage County Election Commission*, 335 Ill.App.3rd 156 (2002) prohibited the Clerk from recognizing established political party status for all Libertarian Party offices less than those elected countywide. Please see email between James Nally and Adam Balling, attached as Exhibit E.

49. Based upon the Clerk's representations to date, it is anticipated that during the established political party filing period of March 7-14, 2022, the Clerk will not accept nomination papers for Libertarian Party candidates seeking ballot placement upon the June 28, 2022 primary election ballot as candidates for Cook County Board offices, and will not accept nomination papers from Libertarian Party candidates seeking election as township committeepersons at the June 28, 2022 primary election.

50. Based upon the Clerk's refusal to recognize the Libertarian Party as an established political party in Cook County, IL, it is anticipated that the Defendants, Clerk and CBEC, will not prepare any form of ballots for a Libertarian Party

primary election nor are they anticipated to administer and hold a Libertarian Party primary election on June 28, 2022 in suburban Cook County and the City of Chicago, respectively.

51. Plaintiffs are injured and damaged, and denied their First Amendment and Fourteenth Amendment ballot access rights through the Clerk's refusal to recognize the Libertarian Party as an established political party for purposes of nominating candidates for the Cook County Board, for purposes of electing its township committeepersons, and thereafter, for purposes of filling vacancies in nomination, as follows:

- (a) being denied recognition as an established political party and all corresponding rights and benefits under the Illinois Election Code;
- (b) being denied the opportunity to nominate candidates for the Cook County Board at the June 28, 2022 primary election with the lower signature requirements as defined in Article 7 of the Election Code, 10 ILCS 5/7-1 et seq. as compared to signatures that would need to be submitted as a new political party under Article 10 of the Election Code, 10 ILCS 5/10-1, et seq.
- (c) being denied the opportunity to elect candidates for Libertarian Party township committeepersons at the June 28, 2022 primary election as defined in Article 7 of the Election Code, 10 ILCS 5/7-1 et seq.
- (d) being delayed in their ability to organize, campaign, promote the Libertarian Party as an established party, and gather signatures, through the Clerk's failure to publish minimum signature requirements for

Libertarian Party candidates for Cook County Board, and for township committeeperson;

- (e) being denied the opportunity to nominate candidates of the Libertarian Party to the November 8, 2022 general election ballot to fill vacancies in nomination at the primary election on June 28, 2022;
- (f) otherwise harmed and damaged through denial of the Plaintiffs' right to campaign and promote the Libertarian Party to voters in relation to the primary election on June 28, 2022;
- (g) otherwise denied First and Fourteenth Amendment rights.

52. Plaintiffs are further injured, harmed, defamed, and continue to suffer harm to their reputation and recognition through the Clerk's refusal to publicly recognize the Libertarian Party as being a duly established political party within the geographic boundaries of Cook County, thereby hampering and obstructing the Libertarian Party's First amendment right to associate as a political party, build memberships, promote its platform and candidates, generate financial and other support from voters, and otherwise build and grow the Libertarian Party within Cook County, IL.

**Count I**  
**Declaratory Judgment for Recognition of the Libertarian Party  
as an Established Party within Cook County, IL**

1-52. Plaintiff repeat and restate Par. 1-52 above as if fully stated herein.

53. The Court of Appeals for the Seventh Circuit in *Libertarian Party of Illinois v. Scholz*, 872 F.3d 518 (7th Cir. 2017) has addressed the process for attaining established political party status as follows:

A party becomes established through a strong electoral performance. If a party's candidate in the most recent gubernatorial election received more

than 5% of the vote, the party is established throughout the state. 10 ILL. COMP. STAT. 5/10-2 (2010). A party can also attain established status on a more limited basis. If its candidate (or candidates collectively) received more than 5% of the vote in a particular race in the most recent statewide election — for example, the race for Illinois Comptroller or Illinois Secretary of State — then the party becomes established for statewide elections. Likewise, if a party received more than 5% of the vote in a congressional or county race in the last election, it becomes established for congressional districts or for that county.[fn. 1] *Id.*

54. Since the Libertarian Party polled more than 5% of the entire vote cast in a countywide race at the November 3, 2020 general election within the geographic boundaries of Cook County, IL it is deemed to have voted as a unit for the election of officers to serve the respective territorial area of such district or political subdivision, and it should be recognized under the Election Code 10 ILCS 5/10-2, as an “established political party” for all offices being elected within the geographic boundaries of Cook County, IL. 10 ILCS 5/10-2; *Libertarian Party of Illinois v. Scholz*, 872 F.3d 518 (7th Cir. 2017).

55. The Clerk’s interpretation and application of the Election Code as alleged herein, including her refusal to recognize the Libertarian Party as an established political party for nomination of candidates to the Cook County Board and for election of its township committeepersons, violate rights guaranteed to the Plaintiffs by the First and Fourteenth Amendments to the United States Constitution, as enforced through 42 U.S.C. § 1983.

56. In *Eu v. San Francisco County Democratic Central Comm.*, 489 US 214, 223 (1989) the U.S. Supreme Court confirmed that First Amendment protections are applicable to political party speech as follows:

Indeed, the First Amendment “has its fullest and most urgent application” to speech uttered during a campaign for political office. *Monitor Patriot Co. v. Roy*, 401 U. S. 265, 272 (1971); see also *Mills v. Alabama*, 384 U. S. 214, 218 (1966). Free discussion about candidates for public office is no less critical

before a primary than before a general election. Cf. *Storer v. Brown*, 415 U. S. 724, 735 (1974); *Smith v. Allwright*, 321 U. S. 649, 666 (1944); *United States v. Classic*, 313 U. S. 299, 314 (1941). In both instances, the “election campaign is a means of disseminating ideas as well as attaining political office.” *Illinois Bd. of Elections*, supra, at 186.

57. The Clerk’s decision to deny established political party recognition to the Libertarian Party, as well as her anticipated refusal to accept nomination papers from Libertarian Party candidates followed by the anticipated refusal by the Clerk and the CBEC to hold a primary election for nomination and election of Libertarian Party candidates directly damages, obstructs, and harms the ability of the Libertarian Party to promote its platform, policy positions, and candidates, to all voters in Cook County at the June 28, 2022 primary election, and denies all voters in Cook County the ability to have greater diversity and candidates to select from for Cook County Board offices.

58. The Plaintiffs, and each of them, enjoy First Amendment protected ballot access rights as a political party, as members of a political party, and as voters, which have been recognized by the Supreme Court in *Eu v. San Francisco County Democratic Central Comm.*, 489 US 214, 223 (1989) as follows:

Barring political parties from endorsing and opposing candidates not only burdens their freedom of speech but also infringes upon their freedom of association. It is well settled that partisan political organizations enjoy freedom of association protected by the First and Fourteenth Amendments. *Tashjian*, supra, at 214; see also *Elrod v. Burns*, 427 U. S. 347, 357 (1976) (plurality opinion). Freedom of association means not only that an individual voter has the right to associate with the political party of her choice, *Tashjian*, supra, at 214 (quoting *Kusper*, supra, at 57), but also that a political party has a right to “‘identify the people who constitute the association,’” *Tashjian*, supra, at 214 (quoting *Democratic Party of United States v. Wisconsin ex rel. La Follette*, 450 U. S. 107, 122 (1981)); cf. *NAACP v. Alabama ex rel. Patterson*, 357 U. S. 449, 460-462 (1958), and to select a “standard bearer who best represents the party’s ideologies and preferences.” *Ripon Society, Inc. v. National Republican Party*, 173 U. S. App. D. C. 350, 384, 525 F.2d 567, 601 (1975) (Tamm, J., concurring in result), cert. denied, 424 U. S. 933 (1976).

59. The Defendants' actions as alleged herein are arbitrary and capricious, and a denial of the Plaintiff's First Amendment right to petition voters, a denial of their First Amendment right to associate as a political party to nominate Plaintiffs' candidates of their choice, and a denial of their First Amendment right to promote the Libertarian party at the June 28, 2022 primary.

60. A real and actual controversy exists between the parties.

61. Plaintiffs have no adequate remedy at law, other than this action pursuant to 42 U.S.C. § 1983 for declaratory and equitable relief.

62. Plaintiffs are suffering irreparable harm as a result of the violations complained of herein, and that harm will continue unless the Clerk's interpretation and application of the Election Code is declared unlawful and enjoined by this honorable Court.

63. It is anticipated that during the time March 7 – 14, 2022, the Clerk will refuse to accept nomination papers of any Libertarian Party candidates seeking the nomination of Libertarian Party voters at the June 28, 2022 primary election, and that Defendants, Clerk and CBEC, will not prepare any Libertarian Party ballots or program corresponding voting machines, nor otherwise prepare or administer a primary election for nomination of Libertarian Party candidates for Cook County Board and for election of Libertarian Party township committeepersons.

64. A declaration of the Plaintiffs' rights, in advance of the March 7 – 14, 2022 filing dates for established political party candidates would assist all parties, as well as all Cook County voters, and provide direction to the Defendants in their official capacities as the election authorities within Cook County, IL in advance of the June 28, 2022 primary election.

WHEREFORE, Plaintiffs, through their attorney, respectfully request entry of a declaratory judgment as follows:

(a) declaring that the Libertarian Party of Illinois is an established political party under the Illinois Election Code, 10 ILCS 5/10-2, within the geographic boundaries of Cook County, IL;

(b) declaring that the Libertarian Party is vested with all rights authorized under the Election Code to nominate candidates for all Cook County, IL offices at the June 28, 2022 primary election, and elect its township committeepersons at the June 28, 2022 primary election, and also authorized thereafter to fill vacancies in nomination for the November 8, 2022 general election;

(c) declaring that within the geographic boundaries of Cook County, IL, the Libertarian Party shall enjoy all rights and benefits conferred upon an established political party under the Illinois Election Code for this and subsequent elections through November 2024;

(d) otherwise adjusting the time, signature requirements, and/or other provisions of the Election Code governing submission of Libertarian Party candidate nomination papers in the interests of justice and to balance the Plaintiffs' Constitutional rights being denied by the Clerk.

### **Count II**

#### **Denial of First Amendment ballot access rights (42 U.S.C. § 1983)**

1-64. Plaintiff repeat and restate Par. 1-64 above as if fully stated herein.

65. The Supreme Court in *Anderson v. Celebrezze*, 460 U.S. 780, 789, 103 S.Ct. 1564, 1570 (1983), instructed lower courts to “consider the character and magnitude of the asserted injury to the rights protected” by the constitution, to

“identify and evaluate the precise interests put forth by the State,” and then to decide whether the interests justify the restriction.

66. Defendants’ actions violate rights guaranteed to these Plaintiffs by the First Amendment to the United States Constitution, as enforced through 42 U.S.C. § 1983.

WHEREFORE, the Plaintiffs respectfully request that this Court enter judgment as follows:

- (1) Assume original jurisdiction over this case;
- (2) Issue a temporary restraining order and/or preliminary injunction as follows:
  - (a) directing the Clerk to amend her “General Information” for inclusion of signature requirements needed for nomination of Libertarian Party candidates for Cook County Board Commissioners being nominated at the primary election on June 28, 2022, and for inclusion of signature requirements for election of Libertarian Party candidates for each of the township committeepersons being elected at the primary election on June 28, 2022, and otherwise amending for recognition of the Libertarian Party as an established political party within the geographic boundaries of Cook County, IL;
  - (b) prohibiting Defendants from striking, rejecting, or refusing acceptance of nomination papers from Libertarian Party of Illinois candidates seeking ballot placement for the offices of Cook County Commissioner candidates and township committeeperson candidates for the June 28, 2022 primary election;

- (c) directing Defendants to accept nomination papers from Libertarian Party candidates for the June 28, 2022 primary election and to accept resolutions to fill vacancies nomination and corresponding nomination papers from the Libertarian Party for the November 8, 2022 general election seeking to fill vacancies in nomination at the primary election;
- (d) directing Defendants to prepare all forms of ballots and voting devices for the Libertarian Party of Illinois primary election on June 28, 2022 in each of their respective jurisdictions, and to administer all provisions of a primary election within their respective jurisdictions for nomination and election of Libertarian Party candidates within the geographic boundaries of Cook County, IL;
- (3) Issue a declaratory judgment stating that the Libertarian Party of Illinois is an established political party within Cook County, IL with all associated rights allowed under the Illinois Election Code to established political parties for all elective and political party offices;
- (4) Issue a permanent injunction against Defendants prohibiting each from denying recognition of the Libertarian Party as a duly established political party with all associated rights defined under Article 7 of the Election Code, 10 ILCS 5/7-1, et seq. to nominate and elect candidates of the Libertarian Party of Illinois for the subsequent four years after the November 3, 2020 general election;
- (5) Order Defendants to pay to Plaintiffs their costs and a reasonable attorney's fees under 42 U.S.C. § 1988(b); and
- (6) Retain jurisdiction over this matter to enforce this court's order, and

(7) Order Defendants to provide to Plaintiffs such further and additional relief as the Court deems just and appropriate.

**Denial of Fourteenth Amendment equal protection rights (42 U.S.C. § 1983)**

1-64. Plaintiff repeat and restate Par. 1-64 above as if fully stated herein.

66. Defendants’ actions violate rights guaranteed to these Plaintiffs by the Fourteenth Amendment to the United States Constitution to equal protection under the law, as enforced through 42 U.S.C. § 1983.

WHEREFORE, the Plaintiffs respectfully request that this Court enter judgment as follows:

- (1) Assume original jurisdiction over this case;
- (2) Issue a temporary restraining order and/or preliminary injunction as follows:
  - (a) directing the Clerk to amend her “General Information” for inclusion of signature requirements for nomination of Libertarian Party candidates for each of the 17 Cook County Commissioner offices being nominated at the primary election on June 28, 2022, and for inclusion of signature requirements for election of Libertarian Party candidates for each of the township committeepersons being elected at the primary election on June 28, 2022, and otherwise amending for

  - (d) directing Defendants to prepare all forms of ballots and voting devices for the Libertarian Party primary election on June 28, 2022 in each of their respective jurisdictions, and to administer all provisions of a primary election within their respective jurisdictions for nomination and election of Libertarian Party candidates within the geographic boundaries of Cook County, IL;
- (3) Issue a declaratory judgment stating that the Libertarian Party is an established political party within Cook County, IL with all associate rights allowed under the Illinois Election Code to established political parties;
- (4) Issue a permanent injunction against Defendants prohibiting each from denying recognition of the Libertarian Party as a duly established political

party with all associated rights defined under Article 7 of the Election Code, 10 ILCS 5/7-1, et seq. to nominate and elect candidates of the Libertarian Party of Illinois for the subsequent four years after the November 3, 2020 general election;

- (5) Order Defendants to pay to Plaintiffs their costs and a reasonable attorney's fees under 42 U.S.C. § 1988(b); and

<b>Title:</b>	PROPOSED ORDINANCE				

### COOK COUNTY REDISTRICTING ORDINANCE OF 2021

WHEREAS, on November 6, 1990, the voters of Cook County approved the creation of 17 separate single-member districts for the election of members of the Cook County Board of Commissioners; and

WHEREAS, Ordinance No. 93-O-34 (the "Cook County Districting Ordinance"), adopted September 21, 1993, provides [in Section 1] that the members of the Cook County Board of Commissioners shall be elected from 17 single-member districts; and

WHEREAS, the County Board is required by law to redistrict after each decennial census to insure that the 17 County Commissioner Districts are of substantially equal population according to census data from the United States Census Bureau; and

WHEREAS, in accordance with that requirement, Ordinance No. 93-O-34 was previously amended by Ordinance No. 01-O-23, adopted September 6, 2001, and by Ordinance 12-O-29, adopted June 15, 2012;

WHEREAS, in enacting the redistricting plan set forth in Section 3 and Appendix 1 hereof, the following redistricting principles have been taken into account:

- (1) each of the districts has been drawn to be substantially equal in population;
- (2) each of the districts has been drawn to be consistent with the United States Constitution;
- (3) each of the districts has been drawn to be consistent with the federal Voting Rights Act of 1965, 42 U.S.C. §1973, et seq., as amended; and
- (4) each of the districts has been drawn to reflect a balance of the following redistricting principles: the preservation of the core or boundaries of the existing districts; the preservation of communities of interest; respect for township, municipal, ward, and other political subdivision boundaries; the maintenance of incumbent-constituent relationships and tracking of population migration; proposals or other input submitted by members of the public and stakeholder groups; public hearing testimony; respect for geographic features and natural or logistical boundaries; and other redistricting principles recognized by state and federal court decisions.

NOW, THEREFORE, BE IT ORDAINED by the Cook County Board of Commissioners that the Cook County Redistricting Ordinance of 2021 is hereby enacted as follows:

Section 1. This Ordinance shall be known as and may be cited as the Cook County Redistricting Ordinance of 2021.

File #: 21-5299, Version: 1

Section 3. Sections 3-1 through 3-17, inclusive, of Ordinance No. 93-O-34, as previously amended by Ordinance No. 01-O-23, and by Ordinance No. 12-O-29, are hereby amended, and, as amended, shall read and provide as follows in the attached Appendix 1. Cook County Board Districts 1 through 17 shall be comprised as noted in Appendix 1 of this Ordinance.

Section 4.

(a) For purposes of this Ordinance, the districts described in Section 3, Appendix 1 shall be composed of the United States census geography (tracts and blocks), as defined by the GeoID contained within the 2020 version of the "TIGER" files from the United States Census Bureau. References to "tract" or "CT" shall mean "census tract," as that demographic unit is established by the United States Census Bureau for the 2020 census as described by maps and publications of the Bureau. References to "block," "blocks," or "block groups" refer to those demographic units as established by the United States Census Bureau for the 2020 census as described by maps and publications of the Bureau.

(b) In the census tract and block listing noted in Field 1 of Appendix 1, the first two digits of a census description shall refer to the State of Illinois (17). The next three digits of a census description shall refer to Cook County, which carries a code 031. The next six digits refer to the census tract within Cook County. The last four digits refer to the census block within the census tract. Field 2 of Appendix 1 references the corresponding Cook County Board District.

(c) Any reference to a "city" or "town," "city or town boundaries," or "city or town limits" shall refer to the boundaries or limits of a particular city or town as defined by the 2020 version of the "TIGER" files from the United States Census Bureau. "TIGER" is an acronym for the computer readable geographic data base that automates the mapping and related geographic activities required to support the United States' Census Bureau's census and survey programs and stands for "Topologically Integrated Geographic Encoding and Referencing."

(d) In the event of a discrepancy between the listing of tracts and blocks set forth above and any other boundary description or map, the listing of census tracts and blocks set forth in Section 3, Appendix 1 shall take precedence and be controlling.

Section 5.

(a) The Cook County Board Districts specified in Section 3, Appendix 1 of this Cook County Redistricting Ordinance of 2021 shall become effective upon approval and adoption of this Ordinance and County Commissioners shall be nominated and elected in 2022 by the legal voters of each County Board District as set forth and specified in this Ordinance, subject to the following limitations:

Mr. Decker,

The Libertarian Party is an established political party in 2022 for Cook County Wide offices (County Board President, County Clerk, County Sheriff, County Treasurer, County Assessor). It is not an established political party for any other districts or subdivisions located within Cook County, such as Cook County Board of Review, Cook County Board Commissioners, MWRD, Legislative offices and Township Committeeperson.

**Established Political Parties**

The Illinois Election Code (10 ILCS 5/10 – 2) provides that any political party that wins 5% or more of the vote in any district or political subdivision that voted as a unit becomes an established political party within that district or political subdivision.

At the November 3, 2020 General Election, the Libertarian Party received 6.63% of the vote for States Attorney of Cook County and became an established political party for the 2022 Election for Cook Countywide offices.

The Libertarian Party did not receive 5% of the vote in any other district or political subdivision that voted as a unit in the 2020 General Election, and therefore is not an established political party in any other district or political subdivision, *Vestrup v DuPage County Election Commission*, 335 Ill App 3rd 156 (2002).

The Illinois State Board of Elections is responsible for determining signature requirements for State Representative and State Senate districts. The office of Precinct Committeeperson is not on the ballot in Cook County.

Mr. Nally,

Thank you again for outlining your legal argument on the phone with me. Just to make sure I have it correctly, there is the 2002 DuPage case & the section of the Illinois Code to which you had directed my attention.

Is there anything else? We want to be as clear as possible on the reasoning.

Much appreciated,

Adam Balling
