

Federal Candidate Pledge for Liberty

- 1) I will immediately work to pull funding for Ukrainian aid and push aggressively for peace negotiations with Russia. _____
- 2) I will oppose a military draft, should the Ukraine-Russia conflict escalate.

- 3) I will audit and reduce foreign aid spending. _____
- 4) I will work to remove the presidential war powers and return those powers back to Congress. _____
- 5) I will recognize the egregious abuses by the US intelligence agencies, and work towards reducing their power with the end goal of abolishing them entirely.

- 6) I will include auditing the Federal Reserve in your two-year congressional plan.

- 7) I will prioritize reducing the size of government and funding of all three letter agencies. _____
- 8) I will abolish the Department of Education, returning education back to local control. _____
- 9) I will uphold freedom of the press by not objecting to the incoming president pardoning Julian Assange. _____
- 10) I will protect whistleblowers by not objecting to the incoming president pardoning Edward Snowden. _____

LIBERTARIAN PARTY
OF COLORADO

11) I will protect internet freedom by not objecting to the incoming president pardoning Ross Ulbricht. _____

12) I will vote to always protect and uphold the right to bear arms. I will move to abolish all unconstitutional gun laws, including the NFA. _____

13) I will support and uphold the freedoms afforded to the American people as set forth by our Founding Fathers in the US Constitution and Bill of Rights. _____

By signing this pledge, you commit to uphold these principles and actions as a federal candidate for the Colorado Republican Party in the 2024 election. Acknowledging that these actions are the best way to make America a freer and more prosperous country.
